ICICI Prudential Monthly Income Plan

(An open-ended fund. Monthly income is not assured and is subject to the availability of distributable surplus.)

Dividend Policy:

The Fund/AMC is not assuring or guaranteeing that it will be able to make regular monthly/quarterly/half yearly dividend distributions to its Unitholders, though, it has every intention to manage the portfolio so as to make such payments to the Unitholders. Monthly/ quarterly/half yearly dividend payments will be dependent on the returns achieved by the AMC through active management of the portfolio. The dividend distributions may, therefore, vary from month to month or quarter to quarter or half year to half year, based on investment results of the portfolio. Further, it should be noted that the actual distribution of dividends and frequency thereof are indicative and will depend, inter-alia, on availability of distributable surplus. Dividend payouts will be entirely at the discretion of Trustees.

TAX IMPLICATION ON MUTUAL FUND INVESTMENT

TAX TREATMENT:

The following information is provided only for general information purpose. In view of the individual nature of tax benefits each investor is advised to consult with his or her own tax consultant with respect to the specific tax implications arising out of their participation in the scheme.

The Scheme's auditors, N. M. Raiji and Co. have confirmed that based on the law in force, the following benefits may accrue to the respective assessee: Based on the law in force and after considering the amendments made in the Income Tax Act, 1961 ("the Act") by the Finance Act, 2006, we give hereunder our opinion on tax benefits/implications that may accrue to a Fund and to different categories of unit holders in respect of their investments in a Fund.

1. TO THE MUTUAL FUND

Income of the Fund registered under the Securities and Exchange Board of India Act, 1992 (15 of 1992) or regulations made there under will be exempt from income tax in accordance with the provisions of Section 10(23D) of the Act. The income received by the Fund is not liable for deduction of tax at source under Section 196. As per Section 115R, Mutual Funds are liable to pay additional income tax on the income distributed by them. Under the provisions of Section 115R of the Act, additional income tax is payable at different rates on income distributed to different class of unitholders. Mutual Funds are liable to pay additional income tax at the rate of 12.50% plus applicable surcharge on the income distributed by a Fund to Individuals and HUFs and at the rate of 20% plus applicable surcharge on the income distributed to any other assessee. Levy of education cess at the rate of 2% is also applicable on total tax payable. However, in respect of equity oriented funds, no additional income tax is payable on income distributed by such Funds. The term "Equity Oriented Fund" has been defined to mean a fund where the investible funds are invested by way of equity shares in domestic companies to the extent of more than 65% of the total proceeds of such fund. Further, it is provided that the percentage of equity share holding of the fund shall be computed with reference to the annual average of the monthly averages of the opening and closing figures.

2. SECURITIES TRANSACTION TAX

Securities Transaction Tax ("STT") is applicable on transactions of purchase or sale of units of Equity Oriented Fund entered into on a recognized stock exchange or sale of units of Equity Oriented Fund to the Mutual Fund.

The Finance Act, 2006 has revised the rates for levy of STT under Chapter VII of the Finance (No. 2) Act 2004 with effect from June 01, 2006 which are given in the following table:

Taxable Securities Transaction	Rate	Payable by
Purchase of a unit of an equity oriented fund, where - <ul style="list-style-type: none"> the transaction of such purchase is entered into in a recognised stock exchange; and the contract for the purchase of such unit is settled by the actual delivery or transfer of such unit. 	0.125%	Purchaser
Sale of a unit of an equity oriented fund, where - <ul style="list-style-type: none"> the transaction of such sale is entered into in a recognised stock exchange; and the contract for the sale of such unit is settled by the actual delivery or transfer of such unit. 	0.125%	Seller

Taxable Securities Transaction	Rate	Payable by
Sale of a unit of an equity oriented fund, where - <ul style="list-style-type: none"> the transaction of such sale is entered into in a recognised stock exchange; and the contract for the sale of such unit is settled otherwise than by the actual delivery or transfer of such unit. 	0.025%	Seller
Sale of unit of an equity oriented fund to the Mutual Fund itself.	0.25%	Seller*

* Mutual Fund is responsible for collecting the STT from every person who sells the unit to it.

3. TO THE UNITHOLDERS

3.1 INCOME RECEIVED FROM MUTUAL FUND: According to Section 10(35) of the Act, any income received in respect of units of Mutual Fund specified under Section 10(23D) is exempt from income tax in the hands of the unit holders. It has, however, been clarified that income arising from transfer of units of Mutual Fund shall not be exempt.

3.2 LONG TERM CAPITAL GAINS ON TRANSFER OF UNITS: Under Section 10(38), Long Term Capital Gain on sale of units of Equity Oriented Funds are exempt from Income Tax in the hands of unit holders, provided such transactions are entered into a recognised stock exchange or such units are sold to the Mutual Fund and are chargeable to STT.

In respect of capital gains that are not exempted under Section 10(38), the provisions for taxation of long-term capital gains for different categories of assessee are explained hereunder:

- For Individuals and HUFs:** Long-term Capital Gains in respect of Units of Mutual Fund held for a period of more than 12 months will be chargeable under Section 112 of the Act, at a rate of 20% plus surcharge, as applicable and cess. Capital Gains would be computed after taking into account cost of acquisition as adjusted by Cost Inflation Index notified by the Central Government and expenditure incurred wholly and exclusively in connection with such transfer. In the case where taxable income as reduced by long term capital gains is below the exemption limit, the long term capital gains will be reduced to the extent of the shortfall and only the balance long term capital gains will be charged at the flat rate of 20% plus surcharge, as may be applicable and cess. It is further provided that an assessee will have an option to apply concessional rate of 10% plus applicable surcharge and cess, provided the long term capital gains are computed without substituting indexed cost in place of cost of acquisition.
- For Partnership Firms, Non-Residents, Indian Companies/Foreign Companies:** Long-term Capital Gains in respect of Units held for a period of more than 12 months will be chargeable under Section 112 of the Act at a rate of 20% plus surcharge, as may be applicable and cess. Capital gains would be computed after taking into account cost of acquisition as adjusted by Cost Inflation Index notified by the Central Government and expenditure incurred wholly and exclusively in connection with such transfer. It is further provided that an assessee will have an option to apply concessional rate of 10% plus applicable surcharge and cess, provided the long term capital gains are computed without substituting indexed cost in place of cost of acquisition.
- For Non-resident Indians:** Under Section 115E of the Act for non-resident Indians, income by way of long-term capital gains in respect of Units is chargeable at the rate of 20% plus applicable surcharge and cess. Such long-term capital gains would be calculated without indexation of cost of acquisition. Non-resident Indians may opt for computation of long term capital gains as per Section 112 (explained earlier), which seems to be more beneficial.

- iv) **For Overseas Financial Organisations, including Overseas Corporate Bodies and Foreign Institutional Investors fulfilling conditions laid down under Section 115AB (Offshore Fund):** Under Section 115AB of the Act, income by way of long-term capital gains in respect of units purchased in foreign currency held for a period of more than 12 months will be chargeable to tax at the rate of 10%, plus applicable surcharge and cess. Such gains would be calculated without indexation of cost of acquisition.

- 3.3 **SHORT TERM CAPITAL GAINS ON TRANSFER OF UNITS:** Section 111A provides that short-term capital gains arising on sale of units of Equity Oriented Funds are chargeable to income tax at a concessional rate of 10% plus applicable surcharge and cess, provided such transactions are entered into on a recognised stock exchange or such units are sold to the Mutual Funds and are chargeable to STT. Further, Section 48 provides that no deduction shall be allowed in respect of STT paid for the purpose of computing Capital Gains. In respect of capital gains not chargeable under Section 111A, the provisions for taxation of short-term capital gains for different categories of assessees is explained hereunder:

Short term Capital Gains in respect of Units held for a period of not more than 12 months is added to the total income. Total income including short-term capital gains is chargeable to tax as per the relevant slab rates.

Income Tax Rates:

The maximum income tax rates for various categories of assessees for AY 2007-08 are as under:

Resident individuals and HUF	30% plus surcharge and cess
Partnership Firms	30% plus surcharge and cess
Indian companies	30% plus surcharge and cess
Non Resident Indians	30% plus surcharge and cess
Foreign Companies	40% plus surcharge and cess

With regards to individuals and HUF having a total income exceeding Rs. 10,00,000, Partnership Firms and Indian Companies, a surcharge of 10% on the income tax is applicable. Individuals and HUFs having total income less than Rs. 10,00,000 are not liable to surcharge. A surcharge of 2.5% on the income tax would be applicable in the case of Foreign Companies.

Further, education cess at the rate of 2% on the income tax (including applicable surcharge) would be applicable for all categories of assessees.

- 3.4 **CAPITAL LOSSES:** Losses under the head "Capital Gains" cannot be set off against income under any other head. Further within the head "Capital Gains", losses arising from the transfer of long-term capital assets cannot be adjusted against gains arising from the transfer of a short-term capital asset. However, losses arising from the transfer of short-term capital assets can be adjusted against gains arising from the transfer of either a long-term or a short-term capital asset.

Under Section 10(38), Long Term Capital Gains on sale of units of Equity Oriented Fund are exempt from Income Tax provided certain conditions are fulfilled. Hence, losses arising from such type of transaction of sale of units of Equity Oriented Fund would not be eligible for set-off against taxable capital gains. Unabsorbed long-term capital loss (other than that relating to sale of equity shares and units of Equity Oriented Fund as stated in para above) can be carried forward and set off against the long-term capital gains arising in any of the subsequent eight assessment years. Unabsorbed short-term capital loss can be carried forward and set off against the income under the head Capital Gains in any of the subsequent eight assessment years. According to Section 94(7) of the Act, if any person buys or acquires units within a period of three months prior to the record date fixed for declaration of dividend or distribution of income and sells or transfers the same within a period of nine months from such record date, then losses arising from such sale to the extent of income received or receivable on such units shall be ignored for the purpose of computing income chargeable to tax. Further, Sub-section (8) of Section 94 provides that, where additional units have been issued to any person without any payment, on the basis of existing units held by such person then the loss on sale of original units shall be ignored for the purpose of computing income chargeable to tax, if the original units were acquired within three months prior to the record date fixed for receipt of additional units and sold within nine months from such record date. However, the loss so ignored shall be considered as cost of acquisition of such additional units held on the date of sale by such person.

- 3.5 Section 80C of the Act provides that from the total income of an individual and HUF, deduction for an amount paid or deposited in certain eligible schemes or investments would be available, subject to a maximum amount of Rs. 1,00,000. According to clause (xiii) and clause (xx) to sub-section 2, any subscription to any units of Mutual Fund notified under Section 10(23D) would qualify for deduction under the aforesaid section provided

- the plan is formulated in accordance with a scheme notified by the Central Government; or
